Twin Cities PADS Homeless Shelter has been helping those in our community with no place to go during the coldest months of the year. Every year at the holidays the shelter put on a special holiday event. We close the shelter for a few days and put our residence in a hotel, and provide them with a nice Christmas experience, with a room of their own and items they may need. The season also provides the shelter with the opportunity to also raise much of our yearly budget, and with your support we are able to do some many wonderful things for those that need our help. You can mail in a check, or donate online at our website www.twincitiespads.org Thank you for all your support!
